

**What would
you like to
see in your**

New Whitehawk Library?

**Your new Whitehawk Library is due to open in September 2011.
We want to know what you would like to see in the new library**

The brand new modern library building will be bigger than the current one and provide a wide range of books, talking books, CDs, DVDs, toys, games, musical instruments for pre-school children, local history collection, information and computers.

Please see overleaf the outline plan of the new library. We are likely to have the toy library, children's and young people's areas in the front of the library near the public entrance and include movable and flexible shelving.

We will offer a range of regular events and activities including family learning, reading and writing workshops, Baby Boogie sessions, homework clubs, holiday fun for children, activities and advice for young people. We will also offer advice and information sessions run by a range of agencies and people.

We are also very keen to work in partnership to make the new library a really flexible and versatile community space and a centre of local information and activity.

These are our broad ideas. We really want to know:

- **What matters to you about your library?**
- **What would you like to see in terms of stock/facilities/activities/anything else?**

Please let us know by

Dropping into Whitehawk Library and telling us

Emailing either wendy.barrett@brighton-hove.gov.uk or alan.issler@brighton-hove.gov.uk

Writing to us at:

Whitehawk Library, Whitehawk Road,
Whitehawk BN2 5GD
Telephone 01273-296924
